LOOK GOOD, FOR GOOD.

-KENNETH COLE

FOR OVER 30 YEARS, WE HAVE ADDRESSED WHAT
PEOPLE *STAND IN* AND WHAT THEY *STAND FOR*.

In the 80s, we advocated on behalf of AIDS Research
(when others wouldn't) and Kenneth currently serves as Chairman of amfAR.

In the 90s, we initiated the first "Shoe Drive" in support of homeless populations
(when others hadn't) and have since collected and donated over 2 million pairs of shoes.

After the Haiti earthquake, we raised funds to build The Kenneth Cole Haiti
Health Center (when others couldn't), which is accessible to over 1.5 million people.

Today, THE KENNETH COLE FOUNDATION remains committed
to helping communities in need by supporting Collective Health,
Civil Liberties, and Artistic Activism.

A photograph of a falcon perched on a dark leather glove, which is resting on a white surface. The falcon is looking towards the camera. Next to the glove is a bottle of Beringer Paso Robles wine. The bottle has a dark blue label with white text and a small illustration of a landscape. The background is a plain, light gray.

PASO ROBLES

LOCAL
KNOWLEDGE ^{NO. 4}

HIRE LOCALLY

You can't blame the starlings for lusting after our juicy Paso Robles Syrah and Cabernet Sauvignon grapes. But we have no intention of sharing precious fruit with these voracious little birds. Fortunately, just down the road lives a falconer, who with his team of falcons, stands guard against the hungry invaders. Working with nature. Working with neighbors. That's how local knowledge makes great wine.
