FASHION DESIGN DUO

Timo Weiland and Alan Eckstein are the young duo behind the fresh label Timo Weiland, which is quickly becoming the toast of the fickle fashion world. After brief internships in the fashion industry, Timo and Alan met and developed a compelling dialogue which ultimately led to a design partnership. Debuting their first ready-to-wear men's and women's collection for Spring 2010, the collection firmly established their romantic, yet modern edge to dandy downtown dressing.
