**Animal House!**

Moraya, 4, and her basset hound, Swiffer McPickles, 1

photograph by DAYMON MARDEL

"I don't like pickles, but he needed a last name!"

MORAYA GIVES SWIFFER 411 ON HER PUPP.

- He's named Swiffer because we hoped he'd clean up after us.
- He loves to watch Cinderella with me.
- Sometimes I'll share my mac 'n' cheese with him.
- I hold his paw so we can dance to Taylor Swift.
- We celebrate the day he came home—we don't know his birthday.

"He loves playing fetch, though he won't bring the ball back."

LUXE DESCRIBES HIS BEST CANINE FRIEND:

- He weighs 85 pounds, but he actually gets scared of smaller dogs!
- His owner is hearing, he can hear foxes running through a nearby golf course.
- He's not a big licker, which is good because I don't like being licked!
- We could spend all day together. I love talking to him.
- We give him showers instead of baths! It's easier.
- He loves car rides and is obsessed with swimming.

"If Captain Jack could talk, he would have a French accent."

CLAUDIA TELLS US WHAT HER KITTY IS GOOD AT

- Staring at the sun like he's at the beach.
- Sleeping in the dog's bed.
- Hiding from the nail clipper.
- Pooping. He eats a lot!
- Sitting down for tea time with me.
- Wearing my hair bows.
- Running the show. He decides when I can hug him.

"AHOY, MATEY!"

I was Jack Sparrow for Halloween last year. Ozzy was on my shoulder!

TYLER ON WHY OZZY ROCKS

- He's from the Amazon rainforest.
- He's named after Ozzy Osbourne. He bobs his head when I play the electric guitar.
- We share a birthday!
- He's a picky eater. He loves berries and Veggie Stix.
- He plays hide-and-seek and likes to hide under blankets.
- He responds to my name and to his own name. He even says hi!
