The magazine cover features a young girl with voluminous curly hair, wearing a white long-sleeved shirt with a blue bulldog pattern and a denim skirt. She stands with her arms crossed, with a small white French bulldog sitting in front of her. The background is a solid blue color.

DAYMION MARDEL

“He loves to snuggle, because he gets cold easily.”

CHELSEA GIVES THE DEETS ON HER COOL CAT:

①

He's like a chameleon! He's pink when he's warm and white when he's chilly.

②

He does have some hair—on his paws and around his face.

③

He can't stay outside, since he can get sunburned fast!

④

He cries if we leave him alone, so he sleeps with me at night.

⑤

He likes to crawl inside my mom's shirt, like a kangaroo.

MORAYA
GIVES THE 411 ON
HER PUP:

①

He's named Swiffer because we hoped he'd clean up after us.

②

He loves to watch *Cinderella* with me.

③

Sometimes I'll share my mac 'n' cheese with him.

④

I hold his paws so we can dance to Taylor Swift.

⑤

We celebrate the day he came home—we don't know his birthday.

"I don't like pickles, but he needed a last name!"

terrier, Storm, 8

“He loves
playing fetch,
though he
won’t bring the
ball back.”

LUKE DESCRIBES HIS BEST CANINE FRIEND:

①

He weighs 86 pounds,
but he actually gets
scared of smaller dogs!

②

His superpower
is hearing. He can hear
foxes running through a
nearby golf course.

③

He’s not a big licker,
which is good because I
don’t like being licked!

④

We could spend all
day together.
I love talking to him.

⑤

We give him
showers instead of baths!
It’s easier.

⑥

He loves car rides and is
obsessed with swimming.

CLAUDIA TELLS US WHAT HER KITTY IS GOOD AT

- ① Staring at the sun like he's at the beach.
- ② Sleeping in the dog's bed.
- ③ Hiding from the nail clipper.
- ④ Pooping. He eats a lot!
- ⑤ Sitting down for teatime with me.
- ⑥ Wearing my hair bows.
- ⑦ Running the show. He decides when I can hug him.

TYLER ON WHY OZZY ROCKS

- 1 He's from the Amazon rain forest.
- 2 He's named after Ozzy Osbourne. He bobs his head when I play the electric guitar.
- 3 We share a birthday!
- 4 He eats healthy: He loves berries and Veggie Stix.
- 5 He plays hide-and-seek and likes to hide under blankets.
- 6 He responds to my whistles and to his own name. He even says hi!

BROOKE EXPLAINS JOJO'S BUNNY BEHAVIOR:

- ① He does not eat carrots, but he likes hay and corn. And sometimes Froot Loops!
- ② He hops super high when he's happy.
- ③ He's not messy. My siblings and I make a bigger mess!
- ④ He's never smelly, because we clean the bunny berries (poop!) out of his cage.
- ⑤ He's from a shelter.

"He looked like a chicken nugget when he was a baby!"
