## THE ORIGINALS

Six pioneers of the modelling industry prove they only get better with age

Photographs by  
Brian Grady  
Styling by  
Alison Edmond  
Directed by  
Lindell Schaaf

It is a well-known thing: a model's career is built on a foundation of youth. But for six of the industry's most iconic figures, the years have only made them more compelling. In this special feature, we celebrate the careers of six of the most influential models of all time. From the legendary supermodels to the modern-day icons, these six pioneers have shaped the industry in ways that are still felt today. Their stories are a testament to the power of age and experience in the fashion world.
