FASHION

BRING ON THE DIAMONDS

"It's in all sorts of settings and personalities and some, indeed, in the most watchful," says our magazine expert, Michael O'Connell. This season, diamonds are on everybody's mind. In fact, they're everywhere you go. From watches to the gold and diamonds for the most part, diamonds are everywhere. For the O'Connells.

TIME MATTERS

THE WATCH IS THE ULTIMATE BEHAVIOR BETWEEN SEX AND PERSONALITY WHEN IT COMES TO ACCESSORIZING. WITH DIAMONDS ON THE DIAL, THESE GOOD ADVOCATES OF LUXURY ARE READY TO TAKE A SHARPER TURN THIS SEASON.
