Shirt Marc by Marc Jacobs.

What does the most successful male model in the world do in his spare time?

Study, for the new venture in my life.

You're quite a way from home amidst the New York smoke, what do you miss when you're away from Kennesaw, Georgia?

Sweet tea and my family.

What one item do you always make sure you have in your fridge?

Chilli.

You're known to be friends with a couple of other guys working in the industry, what is the camaraderie like amongst other male models?

We don't talk about modeling.

As you strut down the catwalk what do you find yourself thinking?

Try not to trip.

What are your dreams and aspirations beyond modelling?

My future career in acting.

Zoolander is famous for his "Blue Steel" pose, what's your signature look?

The Sean O (lol).

What is your daily beauty and exercise routine from the moment you wake till the moment you retire to bed?

A nice long shower and a shave.

What does your diet consist of, do you watch what you eat, what is your favourite meal to eat and if we coming for dinner what would you cook?

No diet, and good old fashioned veg.

Man or woman, who has been the most beautiful person you have ever met?

My mother.
