HER STYLE / MY STYLE

There is nothing "adorable" about *Hannah Simone*'s *NEW GIRL* character, Cece. "Cece is proud of her body. She's empowers herself. Unlike her BFF, Jess (Zooey Deschanel), with her tweed dresses and playful prints, Cece favors body-con looks that kill it," says Simone. "Cece has been a big education for me in the world of separates," says Simone, a huge devotee of dresses who recently had a little fun with an array of eye-popping printed designs by Peter Pilotto, Mary Katrantzou, and Bibhu Mohapatra. "I like to push my boundaries," she says.

MY CHARACTER

"I think of Cece's style as 'model, off-duty,' with a bit of rock and roll."

—Hannah Simone, who plays Cece on *Fox's New Girl*
