TORBJØRN RØDLAND creates photographs that are as titillating as they are unsettling. In this exclusive portfolio for *W*, the artist references commercial advertisements, religious imagery, and intense sensory experiences.

PHOTOGRAPHS BY CHRISTOPHER FERGUSON

THE NEW FRONTIER

MARRIAGE IS ALL ABOUT BUILDING A BOLD NEW LIFE TOGETHER, AND THE DRESSES ON THESE PAGES CAPTURE THAT PIONEERING SPIRIT. WINDSWEEP, SUN-KISSED, AND ROMANTIC, THEY'RE TAILOR-MADE FOR RIDING OFF INTO THE SUNSET.

TEXT BY ELENI N. GAGE

MOUNTAIN HIGH With its sweeping A-line skirt and sophisticated draped bodice, Carolina Herrera's silk "Sonnet" gown (\$5,490, 212-249-6553) will make you feel like you're on top of the world, whether you're exchanging vows on a wildflower-covered peak or in a grand ballroom. Finish the look with a "crown" that's equal parts regal and rebel: Janessa Leone's "Cala" black straw hat (\$181, janessaleone.com). THE DETAILS: American West sterling silver and turquoise "Naja" cuff, \$290; and sterling silver and mother-of-pearl squash-blossom necklace, \$650, americanwestjewelry.com.
