A hand with light purple nail polish and a gold cuff bracelet holds a Bird of Paradise flower (Strelitzia reginae) against a solid yellow background. The flower has vibrant orange and red petals and a dark purple, elongated central structure. The hand is positioned on the left side of the frame, with the thumb and index finger gripping the green stem. The flower's stem is long and green, with a few small, pointed leaves at the base. The background is a uniform, bright yellow, creating a high-contrast, vibrant look.

SPRING BRINGS FORTH SENSUALITY AND
FERTILITY. WHOEVER SAID ROMANCE IS
DEAD?!
SPRING IS THE PERFECT SEASON FOR YOUR
BEAUTY GAME. DRAW YOUR INSPIRATION
FROM ALL THINGS BOTANICAL, FROM
COLORS TO TEXTURES TO FRAGRANCE.
GLITTER IS TAKING OVER OUR EYES AND
LIPS.

The soft, peachy, smoky eyes and
petal-pink lips were the epitome
of romance. No more basic bronze,
with 2018 comes the "rosy tan."
Soft, pinkish, sun-flushed cheeks,
created by mixing a little blusher in
with your bronzer and buffing over the high points
of your face to give your skin a warm, springy feel.

Spring means getting in on the glossy eyelid action
and it looks like this trend is officially here to stay,
so paint some shine over your everyday eyeshadow
to instantly give your makeup an edgy update. 90's
is back, and so are the Disco lids. Sprinkles of glitter
over the eyelids - go for it, press it onto the lids,
blending any excess up to the brow for a graduated
sparkle.

Feel free to go glossy because glossy lips are back!
Mix all shades of gloss, creating a gradual mix of
pinks or purples, with sparkles or not. Make those
lips shine! ■

Elle Taylor.
