A collection of various objects arranged on a light-colored surface. In the top left, there are two metal bells, one larger than the other, both showing signs of wear. Next to them is a piece of fabric with a fringe. To the right, there's a brass arrowhead pointing upwards. Below it is a small, irregularly shaped white object, possibly a piece of stone or bone. Further down is a piece of wood. On the far right, there's a piece of fabric with a black and white geometric pattern. In the center, there's a large piece of fabric with a black background and white leaf-like patterns. To its left is a piece of fabric with a fringe. Below the central fabric is a piece of fabric with a fringe. At the bottom right, there's another metal bell. The overall composition suggests a collection of items related to traditional crafts or textiles.
