The image shows the cover of Shape magazine. A woman with blonde hair, Kristen Bell, is the central figure. She is wearing a grey, off-the-shoulder, textured knit sweater with frayed edges. She is sitting and leaning forward, with her right hand resting on her cheek. The background is a solid dark grey. The magazine title 'SHAPE' is in large, bold, blue letters. Above it, the text 'HEALTHY TRAVEL SPECIAL!' is in white, followed by 'Outdoor adventures, zen spas + cozy retreats' in a smaller white font. To the right of the woman, the name 'Kristen Bell' is in large white letters, followed by 'gets real about pasta, parenthood & the perfect set of squats' in a smaller white font. Below that, 'Protect your skin' is in bold white letters, followed by 'The sneaky ways tech does damage' in a smaller white font. Further down, 'Plus: New shortcuts for fast, amazing meals' is in white. In the bottom left corner, a purple banner contains the text 'WHAT YOU NEED NOW' in white, with 'Speedy self-care + miniworkouts' in a smaller white font below it. In the bottom right corner, 'November 2017' and 'shape.com' are in small white text.
