THE SCIENCE BEHIND MAGNIFICENT COLOR
NOW WITH COLOR SEAL ELIXIR:

- SEALS COLOR INSIDE THE FIBER.
- PROTECTS AGAINST UV RAYS.
- DEEPLY NOURISHES TO PROLONG RADIANCE. COLOR DOES NOT FADE, DOES NOT CHANGE, DOES NOT LOSE ITS LUSTER.

Jennifer Garner is wearing
Mineral Sheers Powder Foundation in Natural Ivory
©2008 Neutrogena Corp.

Show the world your beautiful skin,
not your makeup.

NEW mineral sheers powder foundation

The only mineral makeup with exclusive
time-released antioxidants and SPF 20.
Soft, lightweight powder lets skin breathe.
For a healthy, radiant glow.

One more reason why Neutrogena is
recommended most by dermatologists.

And beautiful women like you.

BEAUTIFUL. BENEFICIAL.

Jennifer Garner

Suddenly your skin looks like it's got a lot more energy.
And it does.

NEW Neutrogena Energy Renewal Night Cream

Over time, skin's energy reserves are diminished making skin look dull and tired.

This exclusive formula replenishes your skin's natural energy reserves, to bring back skin's vibrant look.

You'll see visibly younger skin in just 2 weeks.

Neutrogena. Recommended most by dermatologists.

TRUTH OR BARE

Dare to bare your skin this summer

Do-it-all moisturizers.
Complexion-perfecting treatments.
Skin that looks better in the buff.

UNCOVER

Flaunt fresh-faced skin with perfecting treatments

NEW! Kinerase Extreme Lift Face, \$150
What is it: An intensive treatment that flattens the appearance of forehead furrows, frown lines and crow's feet—on contact.
How it works: The advanced ingredient roster immediately reduces the depth of noticeable fine lines, while helping to boost collagen for visible tightening.
Why you need it: Skin looks up to 10 years younger in 5 minutes (really—it's clinically tested).

NEW! Murad Intensive Wrinkle Reducer for eyes, \$90
What is it: An aggressive eye treatment that treats crow's feet at the surface and at the cellular level.
How it works: The formula resurfaces wrinkles without irritation, while Duran, an Asian super-fruit, ups ingredient absorption, antioxidant protection and hydration.
Why you need it: After 1 application eyes feel lifted. After 4 weeks, crow's feet shrink up to 33%.

Bliss The Youth As We Know It, \$79
What is it: A time-fighting moisturizer infused with 10 of the most potent youth-promoters Bliss has found over 10 years.
How it works: The all-star lineup of vitamins, peptides and antioxidants helps prevent wrinkles, even tone, decrease redness and smooth lines.
Why you need it: It's one-stop-shopping for age control.

MAKING EYES

All the visual aids you need to be runway ready

Urban Decay Eyeshadow Primer Potion \$16

What it is: An ultra-sheer base that glides on the lid and instantly disappears to keep eye makeup from creasing.

What it does: This magic potion acts like glue for eye shadow, eyeliner and eye makeup.

Why you need it: It single-handedly saves your eye makeup from running and pulling a disappearing act.

NEW! Anastasia Beverly Hills Go Brow \$21

What it is: A dual-ended brow pencil and highlighter in one.

What it does: The universal color shades and defines brows of every shade, while the highlighter gives the eye a pop and a lift.

Why you need it: It's your one-way ticket to unforgettably gorgeous eyes.

NEW! Stila Red Carpet Look Shadow Palette with Mini Kajal Liner \$40

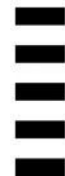

What it is: A limited-edition 3-piece eye kit inspired by the couture confections seen on the Marchesa fall runway.

What it does: The matte and shimmer shadows give eyes a dreamy, feminine look, while the onyx eyeliner adds soft definition.

Why you need it: The chic rosette hair tie is a model fave and a glam addition to your fall wardrobe.

SHOWGIRLS

Take center stage with summer's sultriest makeup

NEW! Diorshow Black Out Waterproof Mascara \$24

What it is: A waterproof version of Dior's mega-popular mascara.

How it works: The buildable Kohl-Black formula comes with a plush separating brush to create the bold, voluminous look of false eyelashes.

Why you need it: Sun, sweat and swimming are no match for this baby!

NEW! Smashbox Oasis Shadow & Liner Quad \$30

What it is: An eye-enhancing quad full of the season's must-have shades.

How it works: Mix 'n match gold, copper and turquoise shadows for a gaze that glows; add deep bronze liner for a summery twist on the smoky eye.

Why you need it: There's no better accessory for beach or BBQ.

NEW! Hourglass Illumine Cream-to-Powder Bronzer Duo \$40

What it is: A luminizing cream bronzer and highlighter duo, housed in a nifty 360° swivel mirror compact.

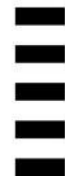

How it works: The velvety, cream-to-powder formulas blend seamlessly for natural radiance sans streaks.

Why you need it: You prefer beauty with brains. This double agent packs vitamins A and E to protect while it perfects.
