## A high-end Japanese dining table with a polished brass surface. On the table are various items: a large brass bowl, three small brass cups on a dark wooden tray, a pair of metal tongs, a black rectangular plate with a white cube-shaped dish, a small red flower, and a bunch of white radishes. In the foreground, there is a white marble table with a glass of water, a small metal box, and a woven basket containing purple radishes.
