Personal touches, such as masks from Topol's theater days and window trims by Topol and Trotta, add insouciance to the casual library. Inspired by Tiffany glass, Topol and Trotta created stained glass using French lacquer and mounted it behind a sofa. From the Cowan Shop, NYC: A Persian rug from ABC Carpet & Home, NYC, and an antique seaweed chair from Goodwin and Company, New Preston, CT, add texture to the terra-cotta-inspired color scheme.
